Yearbook Staff

Rushing to meet deadlines, scrambling to find a picture, and brainstorming for the perfect phrase, we, the 2001-2002 yearbook staff, have worked very hard to design the best yearbook of our ability. Mrs. Mary Frances Stewart, the sponsor for 8 years, has guided us through a successful year of creating and editing a unique Growl for this year's Jones County High students. This year's staff consisted of the following 18 dedicated members: seniors, Sheldonna Williams, Chrissie Weidner, Kelly Childs, and Brandy Cameron; juniors, Heather Comer, Michelle Daniel, Nikki Jackson, Tabitha Owens, Adam Amos, Rachel Thompson, Ashley Hamlin, and Sarah Goodrich; sophomores, Katie Forehand, Kristy Moore, Lindsay Banks, Lacey Jordan, Kallie Rogers, Mandy Stevens, and Dexter Gore. In the years to come, as you look back at your 2001-2002 yearbook, we hope to have captured the memories that will take you back in time.

Dedicating

Each year, the Growl Staff has the privilege of selecting deserving faculty members to whom the yearbook is dedicated. After much thought and discussion this year's staff chose to honor Mrs. Marty Harrington, Mrs. Bonnie Peters, Mr. Mike Thompson, and Mrs. Joy Trimnell.

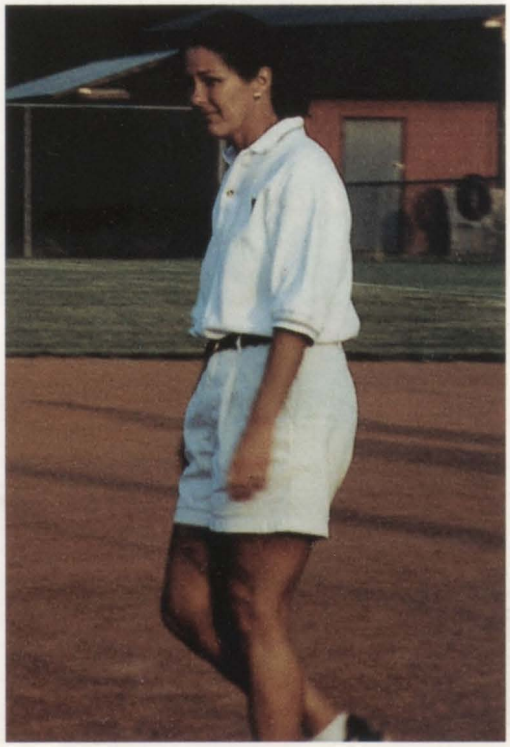

Mrs. Harrington teaches physical education, as well as, health and math at Clifton Ridge. Mrs. Trimnell is a part of the JCHS Faculty. She is an Attendance Clerk/ Satellite Class Monitor. They may be at separate schools, but they come together on the field. Teamwork begins with them at the top. After six seasons coaching the Fastpitch Softball Team, Mrs. Harrington and Mrs. Trimnell have led their team to the State Tournament five times. Through Mrs. Harrington and Mrs. Joy's dedication and commitment the Fastpitch Lady Hounds Softball program has grown from its first years as an infant into a winning, well-respected program. Together, these two extraordinary ladies have pulled their Lady Hounds through many physical, mental, and emotional struggles. Their confidence and never quit attitude pushed the Lady Hounds to many victories. They instill within the Lady Hounds the importance of teamwork and always supporting each other, on and off of the field.

Mrs. Harrington and Mrs. Trimnell set the example for the Lady Hounds. Together they teach them how to become true Lady Hounds. Through

The Edge

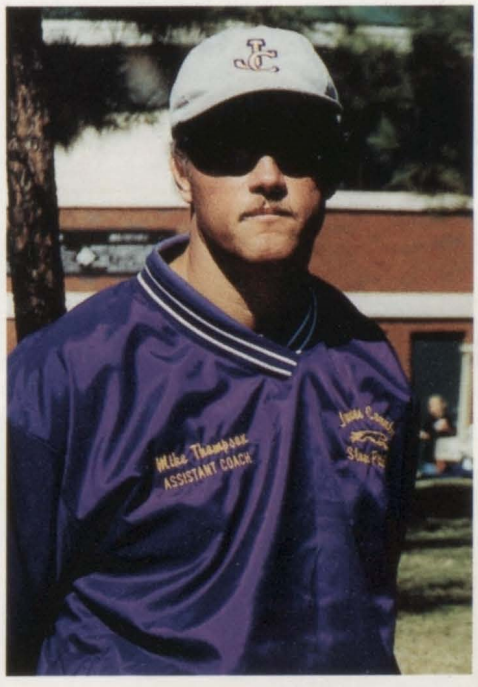

Since winning the State Championship in 1990 and 1991, Ms. Peters and the rest of the Slow-Pitch Lady Hounds have waited for another chance to prove their abilities. With the addition of Coach Mike Thompson (Tommy), the program has only grown stronger. Through both Coaches' dedication and coaching, the Slow-Pitch Lady Hounds have won two Region Championships and have played among the Elite Eight at the State Playoffs. Coach Tommy is the Physical Education Coach at Dames Ferry Elementary, as well as a DJ. Coach Petey is an English teacher here at the High School and participates in Competitive Drama. Within the boundaries of Dedication, Determination, Discipline, and Dignity, the Jones County Lady Hounds have grown as players, as a team, as a family, and as champions.

Homecoming Court

With all the excitement of Spirit Week, Friday's game topped it all off with a win over the Heritage Patriots. The annual homecoming game calls for the return of alumni to Jones County High School. The highlight of the night, in addition to the awesome win delivered by our Hounds, was the half-time show, which featured representatives of campus clubs and organizations, as well as representatives chosen by each class. The festivities culminated with the announcement of our homecoming court — 2nd runner-up, Miss Kelly Childs, 1st runner-up, Miss April Johnson, and the crowning of the 2001 Homecoming Queen, Miss Autumn Hasty.

By definition, a mirror is something that gives a true representation or an exemplary model. The twenty-one students pictured on the next five pages are true examples of mirrors. Each year the administration and faculty of Jones County High School nominates and selects seniors as Mirror Students. These students are chosen because they give a true representation of the ideals of Jones County High School and therefore set an exemplary example for other students to follow. Congratulations to this year's Mirror Students.

"I can do all things through Christ who strengthens me." Philippians 4:13 Dance to the music of your dreams, the steps will bring you joy. I will always cherish the memories I have made these four years at JCHS. I want to thank my parents, loved ones, friends and teachers for supporting me and believing in me. I also want to thank Mrs. Roberts for showing me that we are all geese. — Jessica Allan

"Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it." — Lou Holtz — Andrew Belcher

"Dost thou love life? Then do not squander time, for that is the stuff life is made of." — Ben Franklin Time is precious, and in high school it goes by way too fast. Make the most of each day, and be sure to try your best at whatever you do. Also, remember that something as simple as a smile can make someone's day. Never stop making friends no matter how old you are. Life is all the more special if you can share it with friends. — Troy Brant

The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid? Psalms 27:1 I thank God for all He has provided for me. I thank my father and grandparents for always pushing me to do my very best, no matter what. Also, remember to take advantage of all your opportunities. — Tyler Brock

I guess I received this honor because by most people's standards, I have been successful. However, by my standards, I haven't even gotten started yet. Don't try to be like me, be yourself. Always have a goal and stay in constant pursuit of your dreams. If you fall down, get back up with even more determination. Dare to step off the "yellow-brick road" and be different. There is always more than one way to get where you are going. "Do right." — Tyler Bullington

"No pessimist ever discovered the secret of the stars or sailed to an uncharted land, or opened a new doorway for the human spirit." — Helen Keller I would like to thank my friends, teachers and family for always encouraging me to pursue my goals, supporting me in my beliefs and guiding me to success. I will always treasure the memories I acquired while at JCHS. — Christy Cecil

I'd like to thank my parents, family, teachers, coaches, friends and God for all the love and support they have given me throughout the years. I thank God for giving me the strength and will to follow my goals and dreams. I have enjoyed these past four years at Jones County High School and take with me many memories. "To the world you may just be someone, but to someone, you may just be the world." — Anonymous — Kelly Childs

Because of God, the prayers of my mother, my family and the Jones County School System, I will make a mark in the world. "If any of you lack wisdom, let him ask God that giveth to all men liberally and unbraideth not; and it shall be give him." James 1:5 I know. Don't look down on anyone, only God sits that high. — Jay Duncan

This is your time, this is your dance, live every moment, leave nothing to chance. Swim in the sea, drink of the deep, embrace the mystery of all you can be. This is your time … The ebb and flow of the Atlantic tides, the drift of the continents, the very position of the sun along its ecliptic; these are just a few of the things I control in my world. — Lorine Gantt

I want to thank God for all the blessings He has given me. Most of all, for giving me the opportunity to attend JCHS, where my teachers, friends and peers accepted me for who I am and believed in me. I am grateful for a loving family who has always been there to encourage me to do what I believe in and to love me for who I am. Thanks to all of you for being a part of my life. I couldn't have followed my dreams without you. "To accomplish great things, you must not only plan, but believe." — Anonymous — Marie Gilbert

"Don't be afraid of pressure. Remember that pressure is what turns a lump of coal into a diamond." — Unknown To my teachers who encouraged me, my friends who stuck with me, my loving parents who inspired me and my sisters who are my stress relief, thank all of you who believed and trusted me. To my Lord, thank you for instilling in me everything I need to get through life and its obstacles. — Laura Harrison

"Believe in yourself. You gain strength, courage and confidence by every experience in which you stop and look fear in the face. You must do that which you think you cannot do." — Eleanor Roosevelt — April Johnson

"Live each day as you would climb a mountain. An occasional glance toward the summit keeps the goal in mind, but many beautiful scenes are to be observed from each passing moment; and then the view from the summit will serve a more rewarding climax for your journey." — Bishop Fulton J. Sheen — Elizabeth Lowe

"This is the beginning of a new day. God has given me this day to use as I will. I can waste it or use it for good. What I do today is very important because I am exchanging a day of my life for it. When tomorrow comes, this day will be gone forever leaving something in its place I have traded for it. I want it to be a gain, not loss — good, not evil, success, not failure, in order that I shall not forget the price I paid for it." — Paul "Bear" Bryant — Zeb McHargue

We are called to stand out, never blend in. One of the greatest compliments that anybody can give you is to say that you are different. There should be something different about you. If you don't stand out in a group, if there I not something unique or different in your life, you should re-evaluate yourself. Never take direction from a crowd for your personal life, and never choose to quit just because someone else disagrees with you . — Nick Moore

One of the best things about life is that no matter what your past is, your future is spotless. — Floyd Patterson

"The will to win begins with the will to be prepared." — Unknown I'd like to thank my dad, coaches, teachers and friends for encouraging me to do my best not only in athletics, but in life. I'd also like to thank the Lord for giving me everything He has given me. I have learned life never gives you anything, you must work hard to get what you desire. — Justin Tyler

"Understand that happiness is not based on possessions, power or prestige but on relationships with those you love and respect most." — Anonymous Those I love and respect most are my family and my Father in Heaven and His son Jesus Christ. They have shown me more love and comfort that I could have ever imagined. Next, to my teachers and friends, thanks for teaching me to never give up and keep on smiling. — Carmen Weathers

"Life is made up of small pleasures. Happiness is made up of those tiny successes. The big ones come too infrequently. And if you don't collect those tiny successes, the big ones don't really mean anything." — Anonymous I want to thank all of my teachers at JCHS for giving me the knowledge to go on to bigger and better places. I want to thank my family for always supporting me and caring for me. I want to thank my friends for being there for me through the good and the bad. I will cherish all of our memories. — Chrissie Weidner

"To act is easy; to think is hard." — Goethe "I find the great thing in this world is not so much where we stand as in what direction we are moving." — Goethe I would like to thank my family, friends and teachers for everything they've done for me over the years. If it weren't for these people, I wouldn't be the person I am today. — Kevin Williams

"I must forgive the past and strive toward tomorrow, never forgetting the past, but living for tomorrow. Pressing on to better myself to glorify God." — Tim Barber "I'm glad I didn't know, the way it all would end, the way it all would go. Our lives are better left to chance. This year's Sophomore Class really showed their spirit. The class's float won the Greyhound Award trophy in the Homecoming Parade to top off a spirit-filled week for the class. No longer the new kids on the block, the sophomores proved that they are true Greyhounds, from their heads to their toes. This years class officers (pictured left) are President-Whitney Childs, Vice President-Brittany Tharpe, Secretary-Abbie Jones and Treasurer-Brandi Braswell.

The Freshman Class jumped into the high school routine with both feet. Although unsure at the very beginning of the year, the class soon became comfortable with their new surroundings. In fact, a large number of these students made Honor Roll for the first grading period, which is somewhat unusual for students just getting into the groove. The class was led by officers (pictured left) including, Vice-Pres. — Whetherly Peacock, Treasurer — Jessica Johnson and president — Claudia Mitcham.

Spirit Week

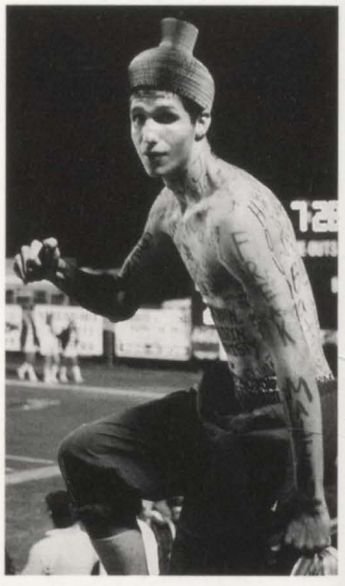

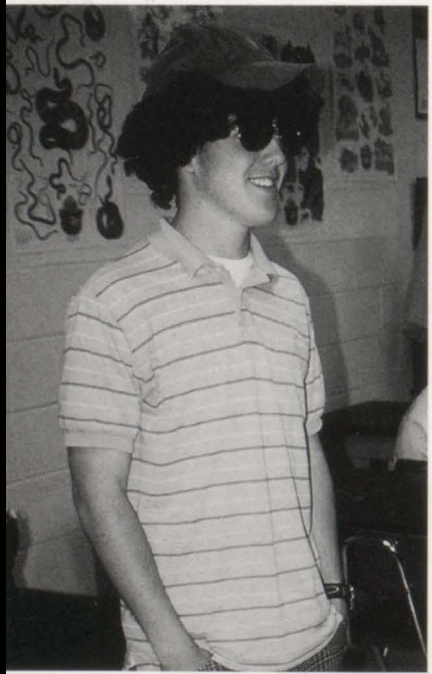

These Colors Don't Run!

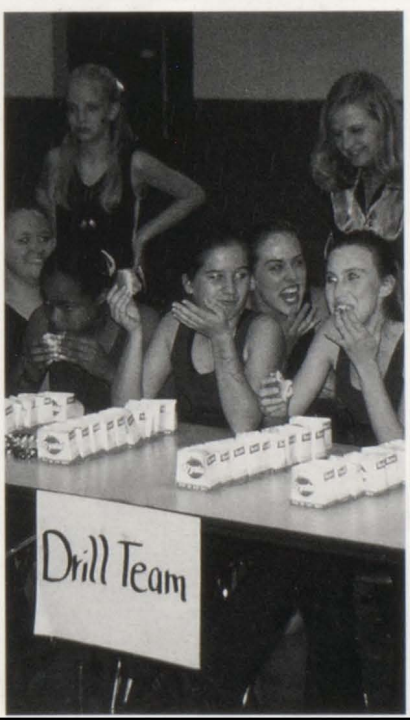

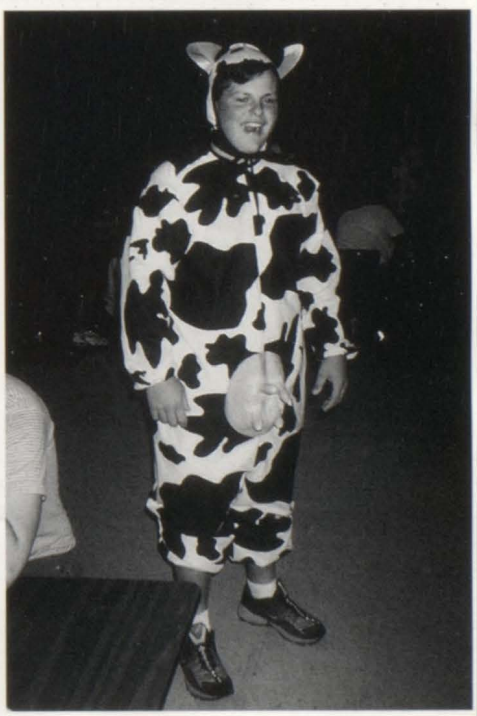

DON'T RUN...

CLASS 200

Drill Team

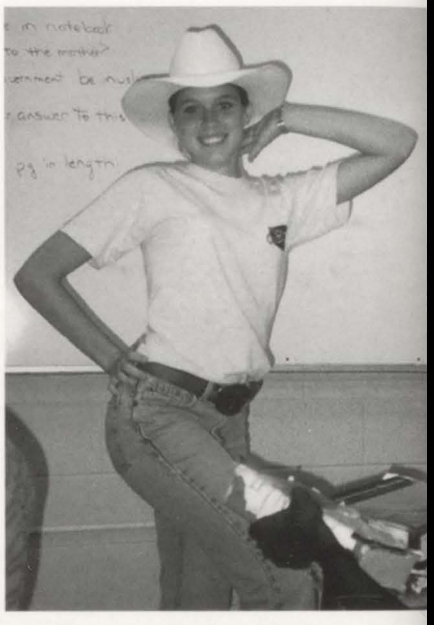

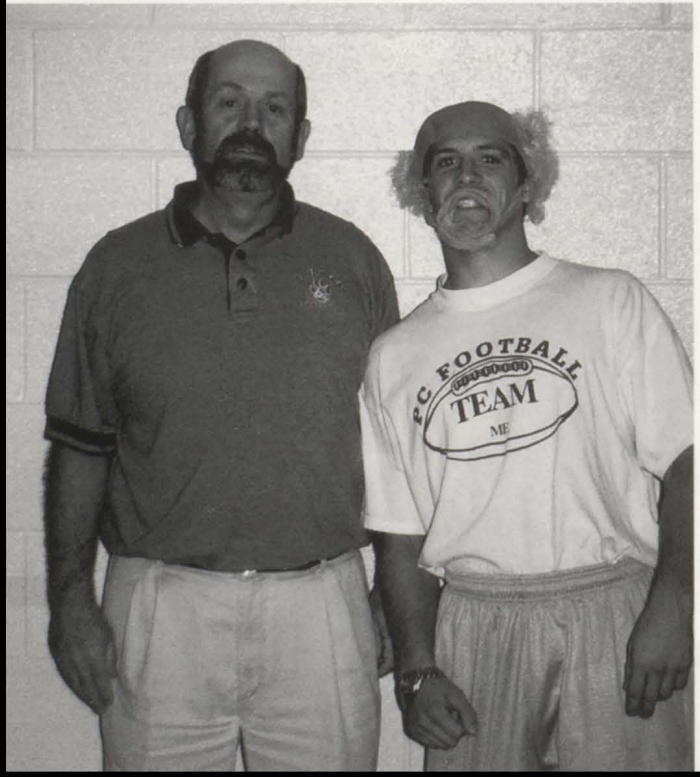

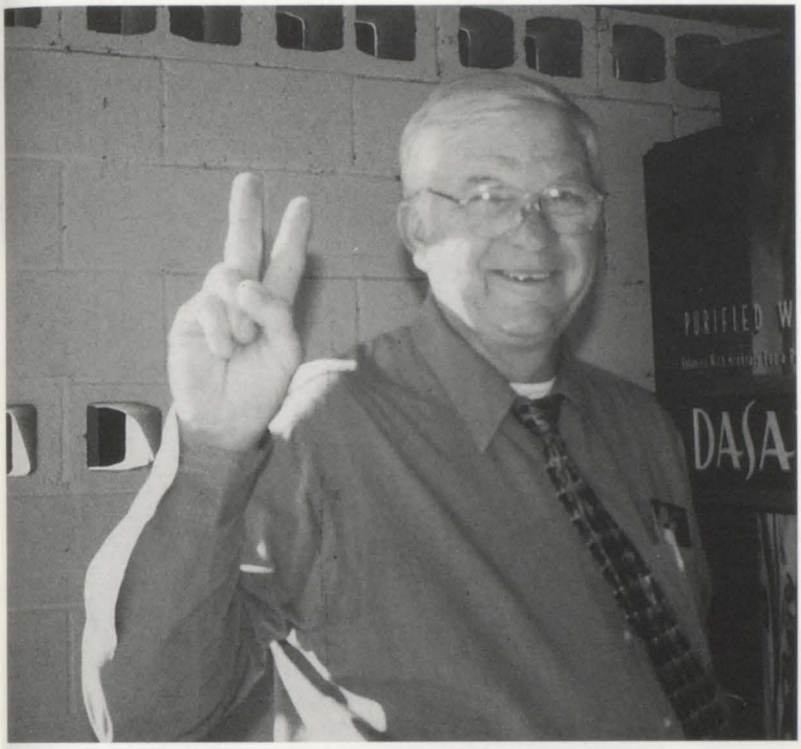

PC FOOTBALL
TEAM

This year's spirit week was action packed and filled with fun. Labeled, "These Colors Don't Run," spirit week was about more than school spirit, but about the spirit of all Americans. With days titled "Hero Day," and "Red, White, and Blue Day," the faculty and students learned about each other, their country, and their Hounds. At the close of a very exciting week, our Greyhounds stomped Heritage in their pursuit of a region title. Go Hounds!

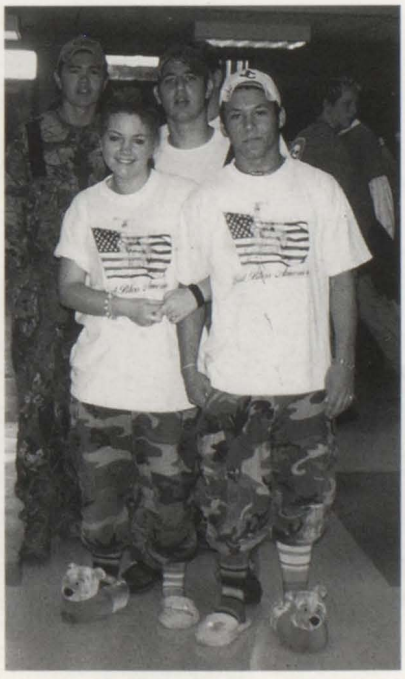

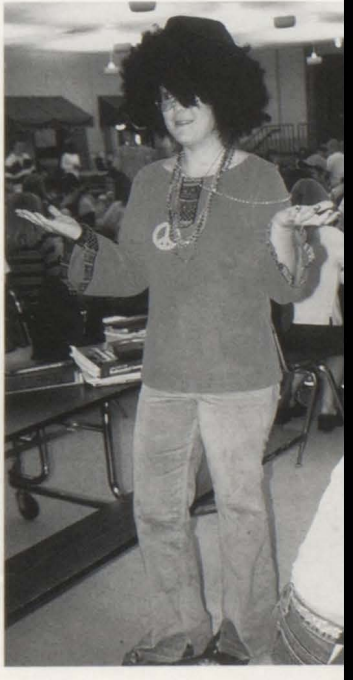

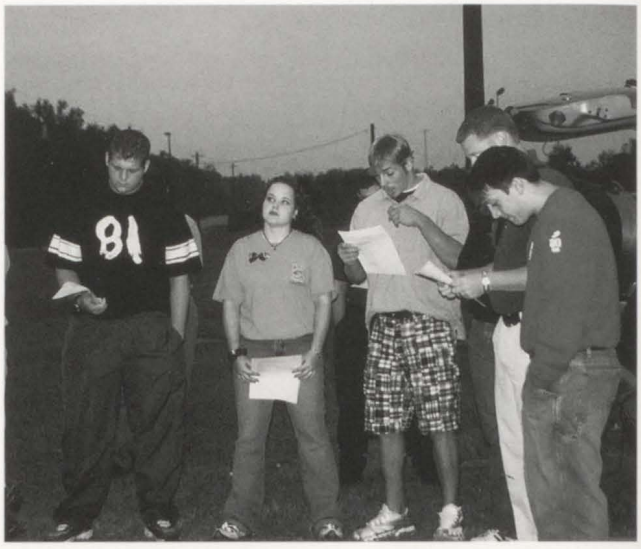

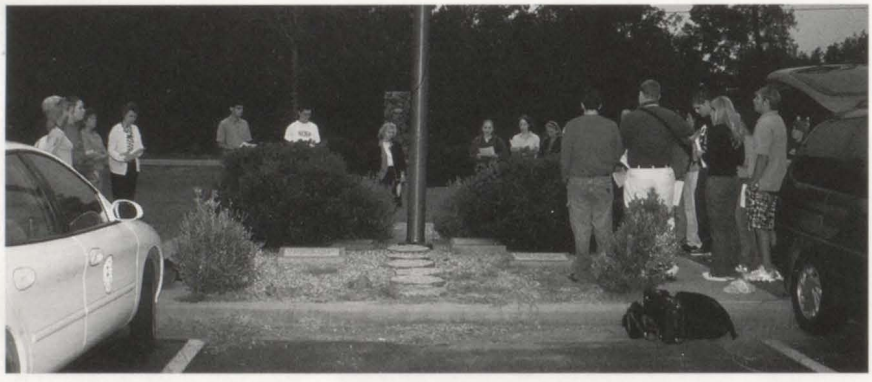

See You At

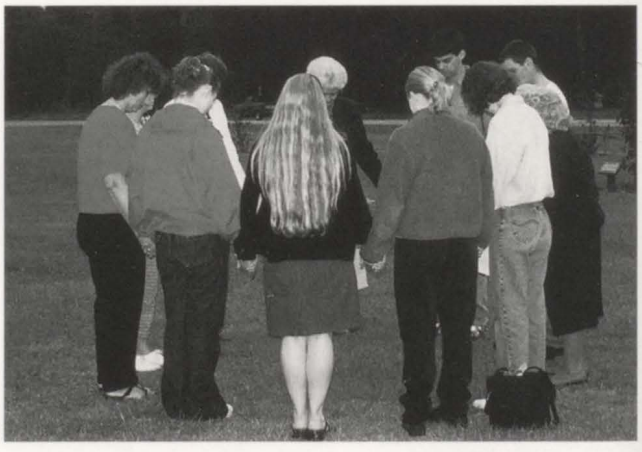

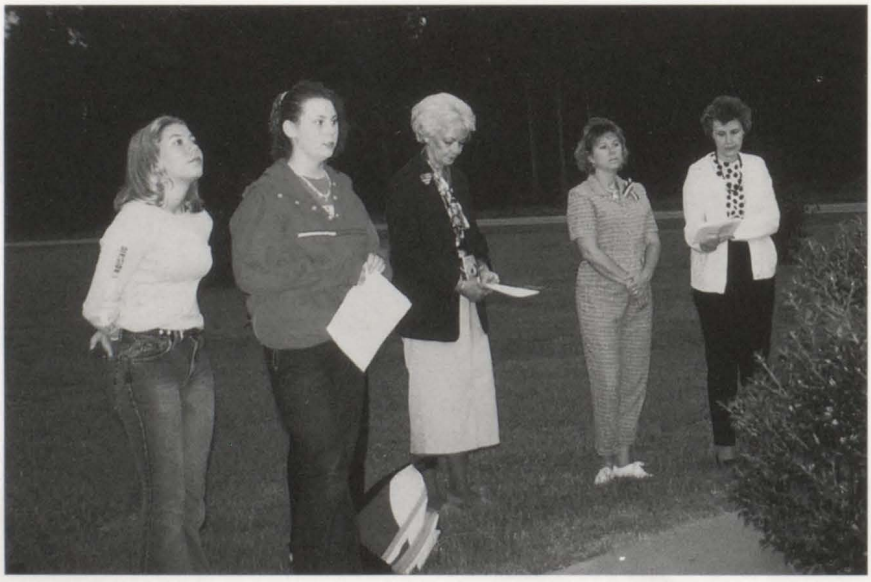

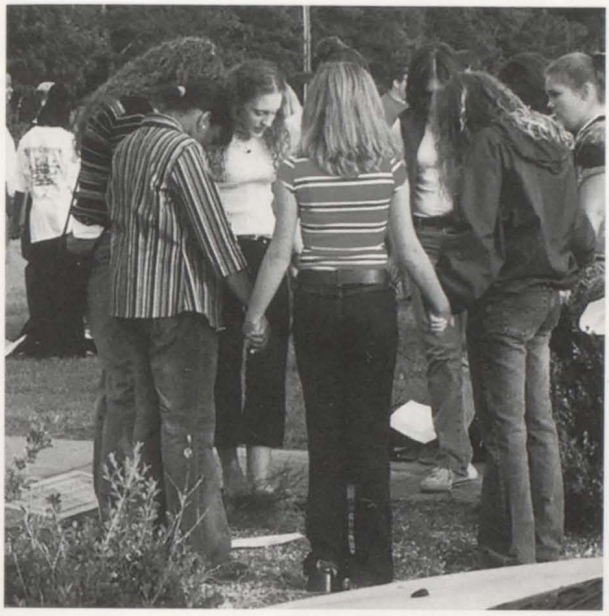

The Pole

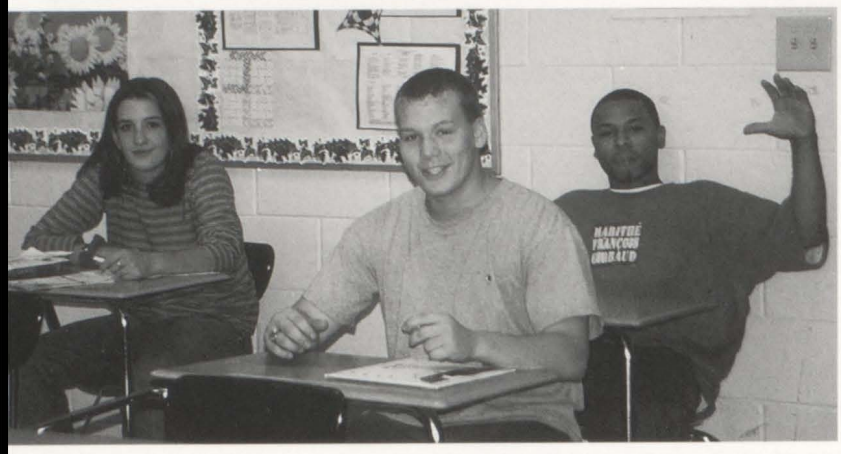

See You At The Pole, held the third Wednesday of each month has special meaning to students in that it gives them the opportunity to worship God among their peers. On September 19th, See You At The Pole was held on the National Day of Prayer in the wake of the September 11th tragedy, in which thousands died at the World Trade Center and the Pentagon. This attack, which was meant to separate our country, only made our country stronger and the phrase "United We Stand" was demonstrated as schools across the United States all held their own See You At The Pole observance on September 19th.

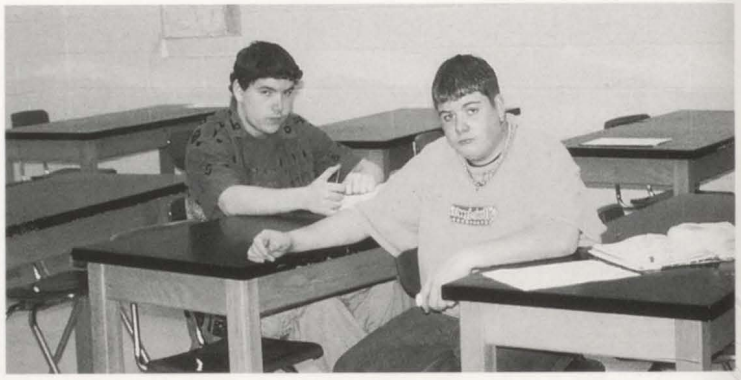

Evening School

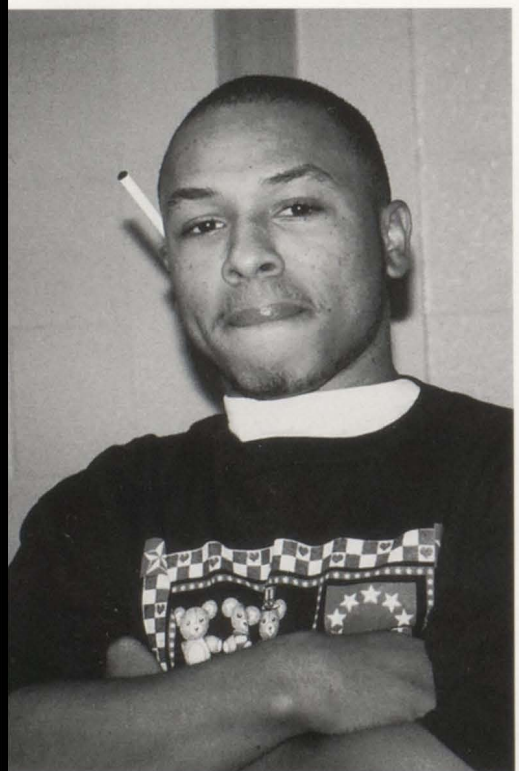

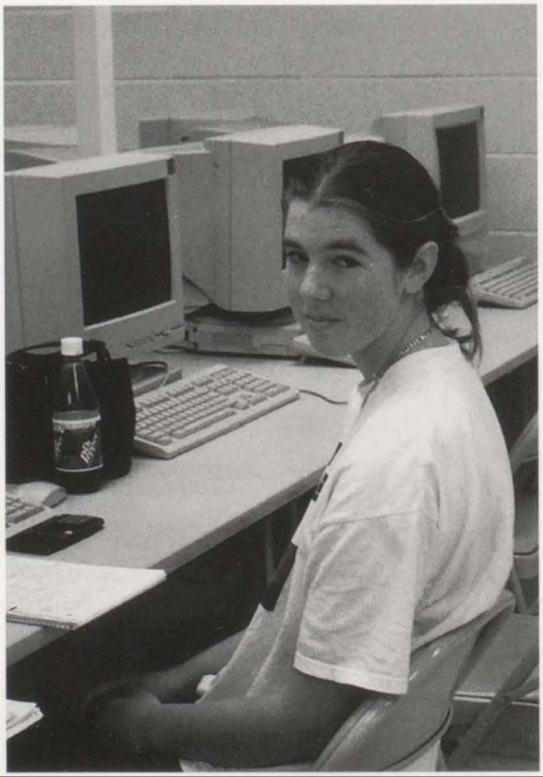

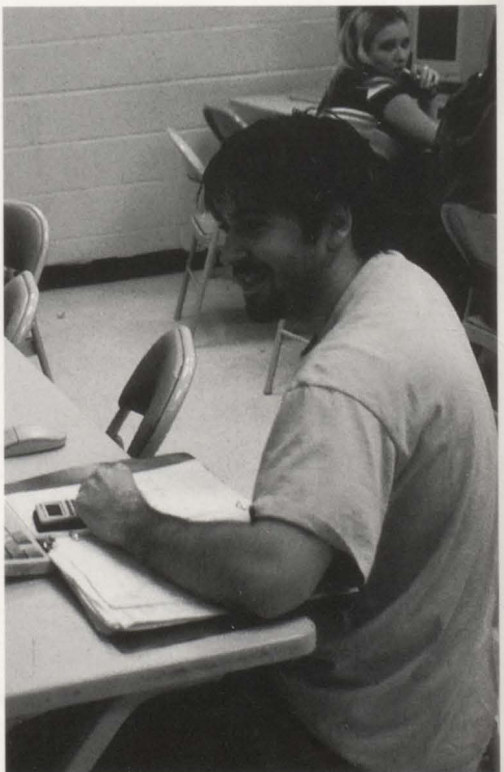

This year's evening school has been a successful program. It was designed to help and encourage students to graduate. The Jones County School System believes that all students should be offered the opportunities necessary to complete high school. We appreciate all the hard work and dedication of the teachers, advisers, and students that have made this program possible.

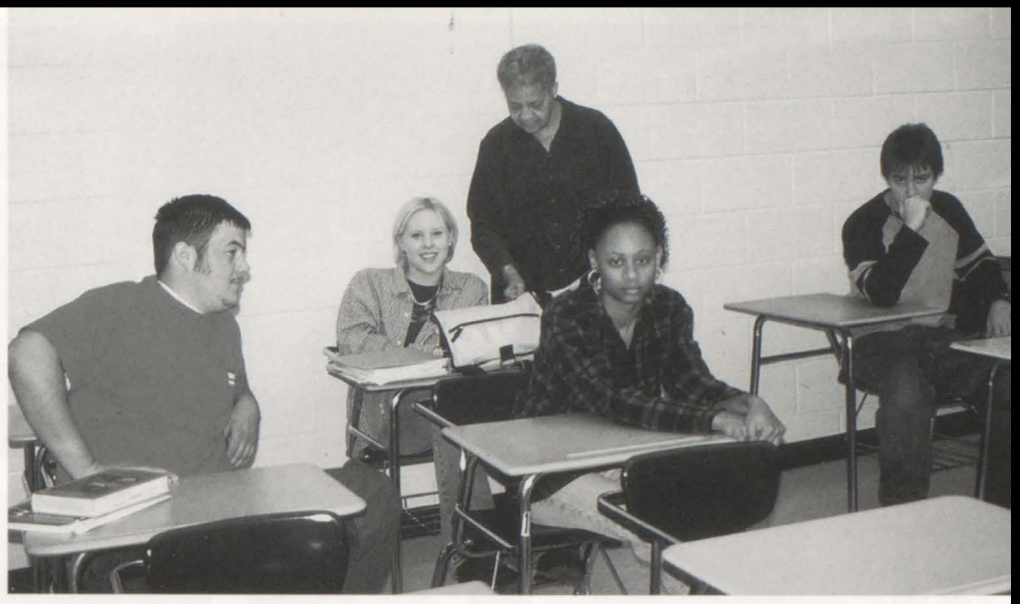

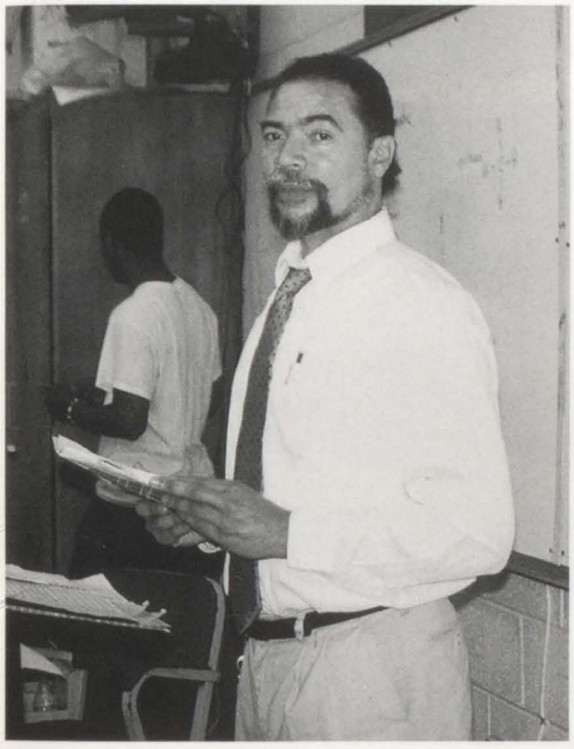

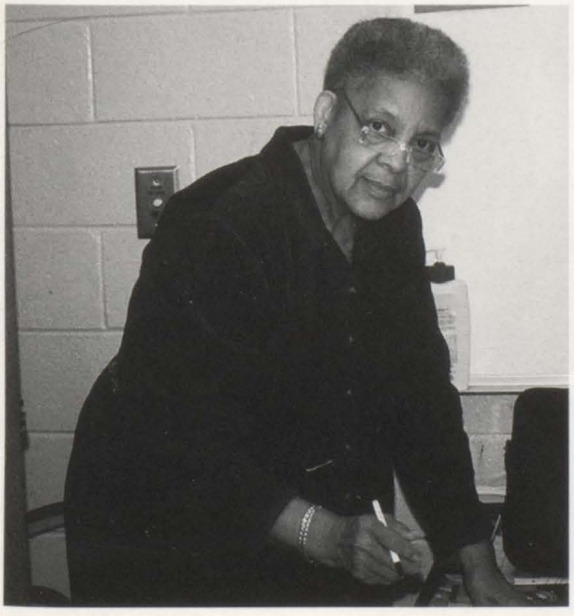

Skidaway

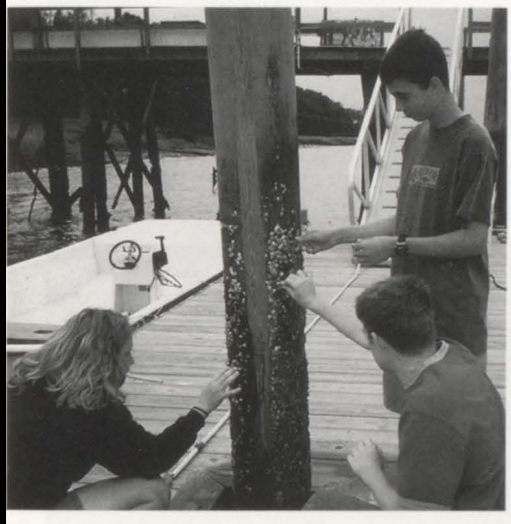

This year's Honors Biology annual Skidaway Island trip went very well. It was extremely entertaining and full of excitement. Even though the weather did not want to cooperate, the students made the best of the situation. The plankton labs, fish classes and dock studies were very informative and interesting, even though some of the things the students learned were not very pleasant. The trip was a truly unforgettable learning experience for all the students who attended.

"The Role of Della"

One of the strong traditions here at Jones County High School is the Drama Department's participation in the Region One-Act Competition. This year in mid-September auditions were held to begin the preparation for this competitive event. At the audition Christin Hayes was cast as Elizabeth, Kristen Sinclair as Emma, and Tori Thornton as the director of the play, "the Role of Della." After the auditions, the cast worked and rehearsed for eight weeks preparing their performances for the competition held on November 1st at Heritage High School. The cast was supported by Tech Crew: Adam Amos, Mary Anderson Billue, Joey Pruchan, William Tanner, Anna Van Wagoner, Nicole Wepreck. At the Region Competition, our play, "The Role of Della" placed 3rd, and Christin Hayes and Kristen Sinclair were named to the all Region Cast.

whitechristmas

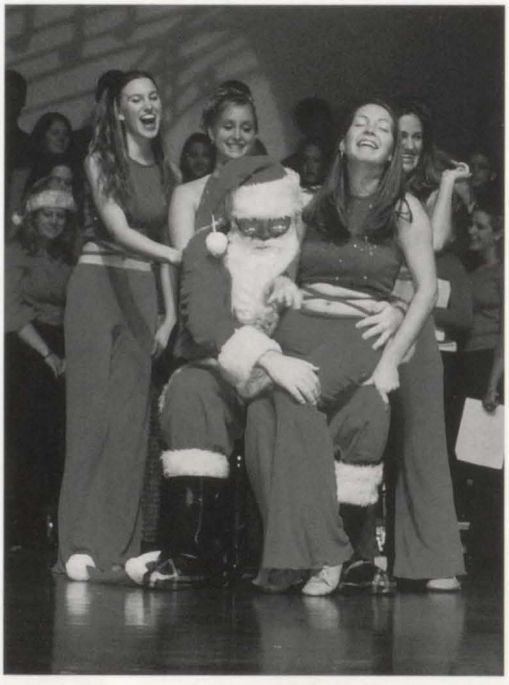

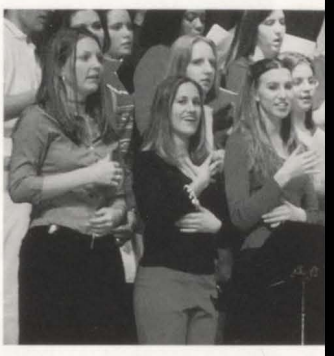

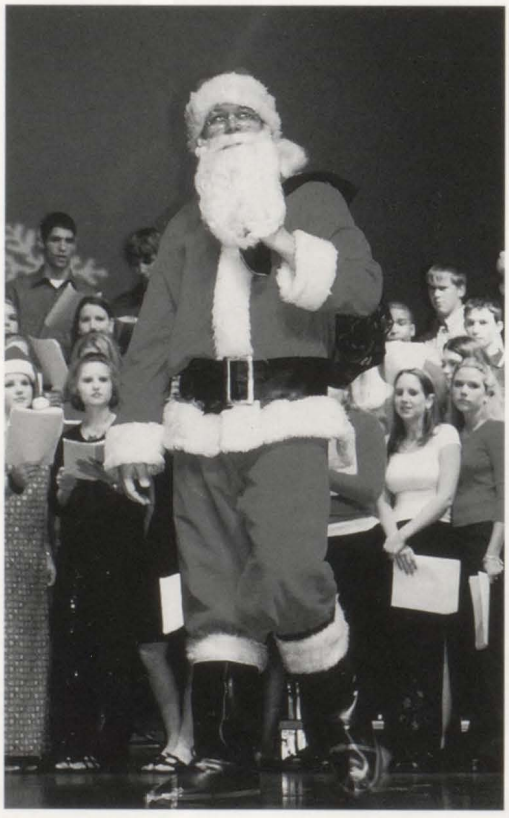

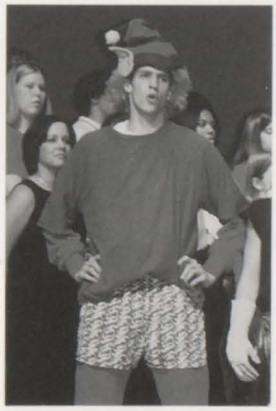

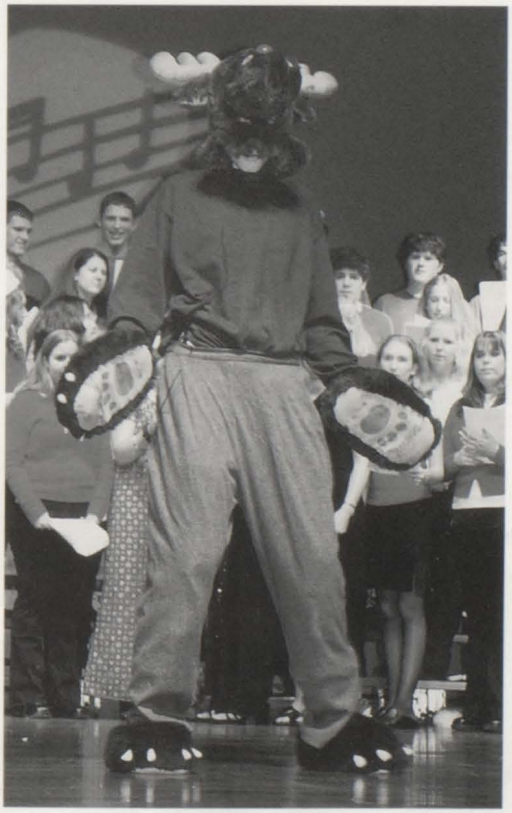

The Senior Class of 2002 hosted the 33rd annual White Christmas program on Monday, December 3, 2001. It was a night full of laughs, excitement and joy for all who attended and participated. Total funds came to a total of $1,300 plus, from two performances. All proceeds will go to various charities, to help out with presents for young ones in the holiday season. The Senior Class would like to thank everyone for their participation and support in making this year's White Christmas such a success.

Region Champs

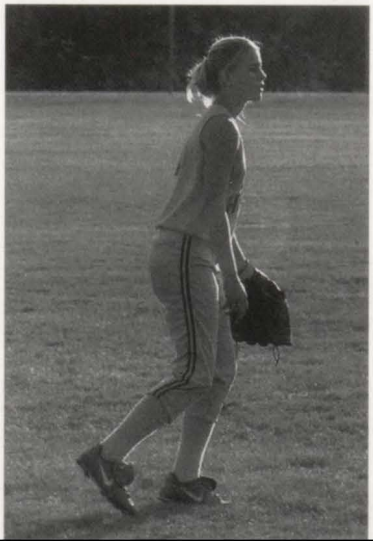

Elite 8

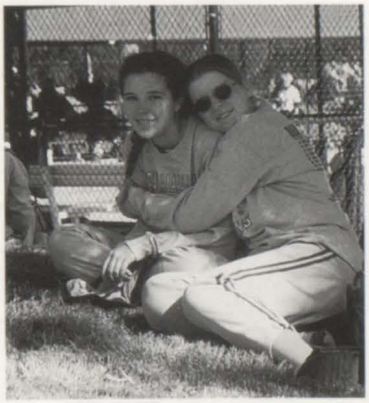

This year's Lady Hounds finished the season with many great achievements. They became repeat region champs after coming back from the loser's bracket and winning four games back to back. They also advanced to State Finals in Columbus, the first slow pitch team to accomplish this in the past ten years. This team knew the meaning of teamwork and perseverance. They pulled together to overcome obstacles that at the time seemed insurmountable. A huge part of their success was due to head coach, Bonnie Peters, and assistant coach, Mike Thompson. The Lady Hounds finished the season with an overall record of 18-9 and a region record of 9-1.

Fastpitch

Jones County Fastpitch Softball completed its 8th season this year coming out 8th in the state. The Lady Hound had a rocky start & as they approached the region tournaments, they were ranked 5th in their region. The Lady Hounds made a tremendous comeback by completing the region tournaments ranked 2nd in region with a 3-2 record in the tournament. On into sectionals, the Lady Hounds continued to win and proceeded into the state playoffs. This year's fastpitch Lady Hound's team showed that with hard work & determination, you can do anything you put your mind to.

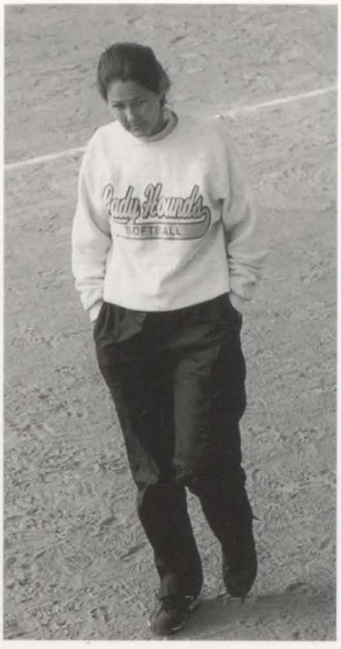

Softball

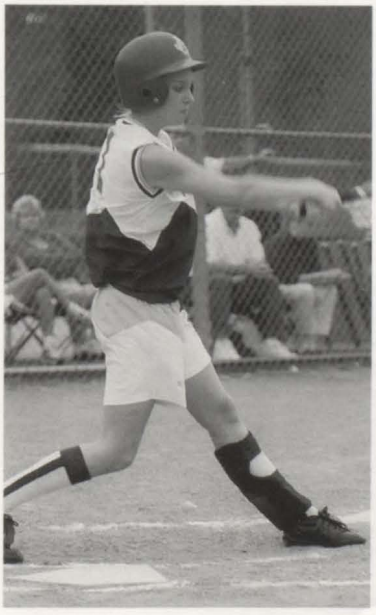

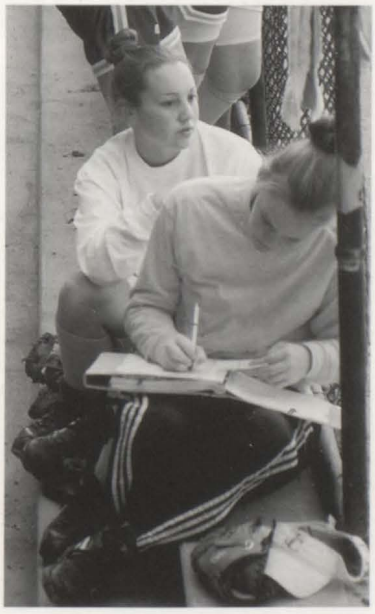

Junior Varsity Fastpitch

The Lady Hounds JV Fastpitch Softball team had a very successful year. They have worked very hard and have shown a great deal of dedication and determination. They have come a long way and pulled together to show support for their team. Congratulations on a wonderful season.

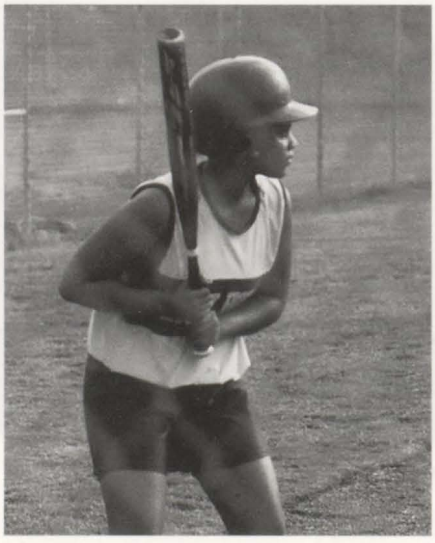

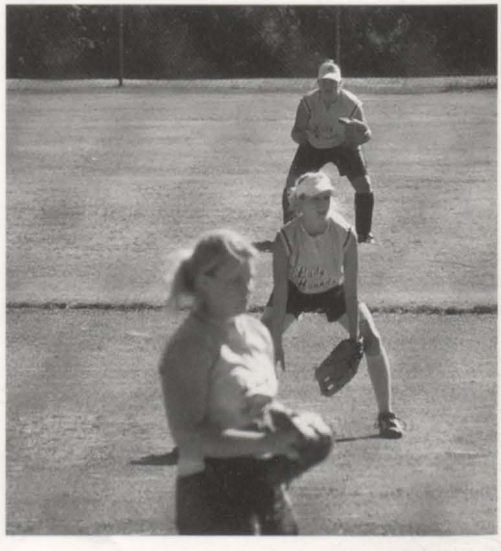

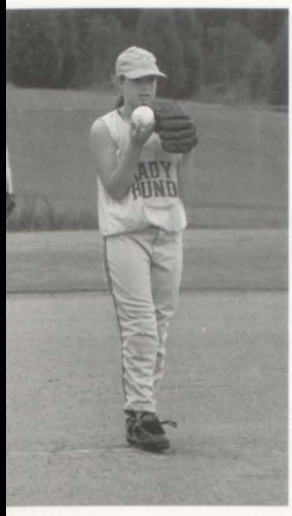

Junior Varsity

Slowpitch

The JV Slowpitch team has had a successful season. These ladies strove to be their best. They worked really hard to learn how to play as a team this season. This team has the determination and dedication to strive for more victories in the near future. Their record has been the best yet under the coaching of Bonnie Peters.

Girls Cross Country

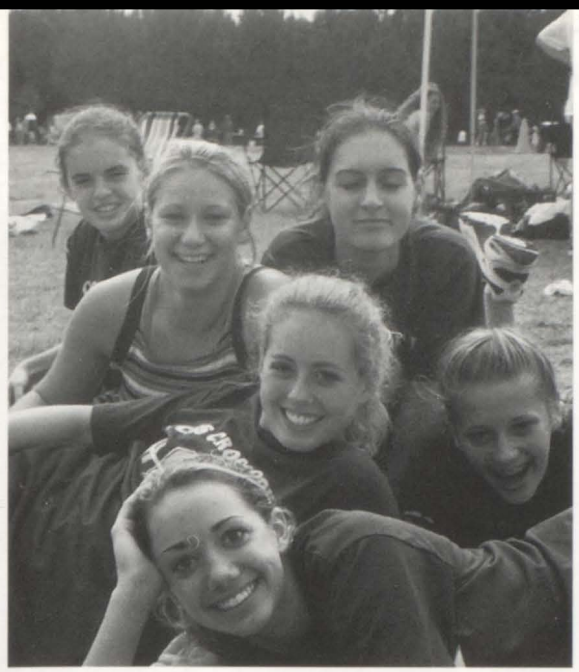

KAREN SIMARD
"Canadian"
A swimmer from the far north who is planning a career in law enforcement.

This year is 2001. It is still HOT in Georgia at 4 o'clock in the afternoon. Technology has never changed that. We practice hard anyway, as we usually do and manage to survive. If football can do it, so can we. It keeps us lean.

September 11th — Tuesday. Our first home meet of the season CANCELED. Everything was canceled. You know why as you read this years later. Words cannot explain what we will always know in our hearts. Beyond our usual running aches and pains, we trained without missing much of a beat. No days off. Pavo, the program, entered our lives with horrors of loggin lots of mandatory miles. The season did seem to be running in the shadow of a national human urgency. We actually had a reason to run. A reason beyond our desire to break records, set personal records to qualify for STATE. "Pain is weakness leaving the body." and "Pain is only temporary" Running with pain, running through pain, running for others, identifying with the much greater pain of those who were chosen by the evil of terrorism to suffer. Many of us learned to transform our pain and we learned that it took the power of God to do so.

The Girls Cross Country team. We had the smallest girls team ever. Karen came to us from Canada. Anna (Rookie of the Year) came to us from the hoop right when we needed her and her enthusiasm and warmth of heart. Jamie (Rookie of the Year) proved to be a first time natural runner. Blaire (Greyhound Spirit Award) was back now, but has to move to Texas. We will miss you and all your Blaireness. Thanks for those special scarpbooks. I hope you cry when you read this years from now! Lacy, always with a smile, remains our strong and durable number one MVP runner. She received that very special *Amy Ethridge Award!* Christy (Greyhound Spirit Award), our number two runner, just wanted to run more miles!

MALCOLM CURRIE
M.A.C.Jr.
An awesome baseball pitchr turned cross country runner for a season.

TROY BRANT
"Honorable"
As his competition says of him: "We don't mind being beaten by Troy. It's OK to be beaten by an honorable person. Troy is honorable."

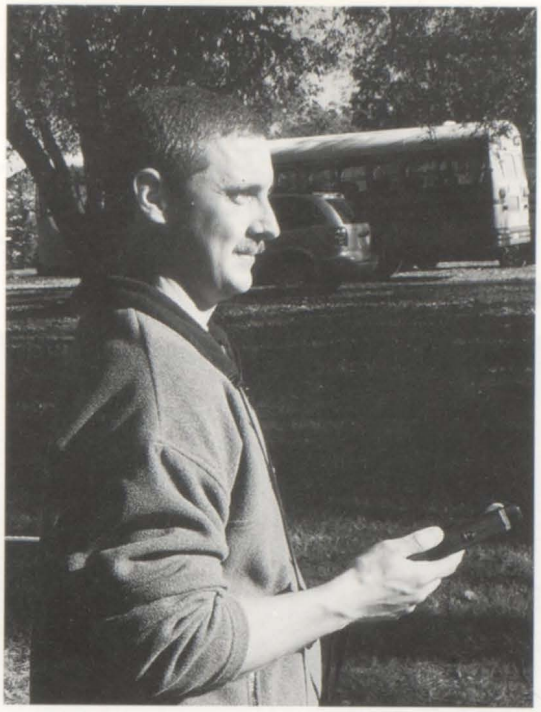

Troy. A premier year. A Course Record. Qualifying for State as an individual. Taking 3rd place at Region. A great person. A great runner leaving quite a CC legacy. He is deserving of all that the *MVP* and the *Greyhound Leadership Award* stands for! Malcolm (*Rookie of the Year*) coming out for the first time as a senior to get in shape for baseball pitching season. Chris will always be the best hay baler. The Glen and Josh brother team keep coming on strong. Brandon (*Greyhound Spirit Award*) is destined to log the most miles run and is as loyal as the day is long. Raymond, a first year runner you can count on to give his all.

REGION CHAMPS!

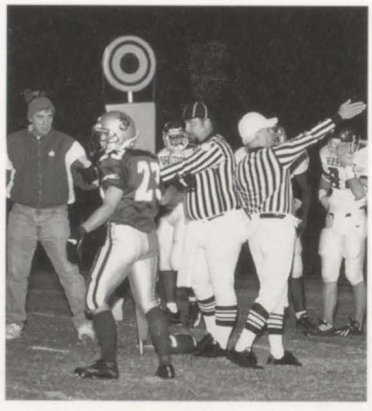

REGION CHAMPS!!! This year our Greyhounds conquered the Region 4-AAAA Title by defeating Westlake 29-26 in a nail biting down to the wire game. Leading up to this feat was the Creekside game, which our Greyhounds won the Friday before with just 35 seconds left on the clock. The final score was 21-18. The Greyhounds followed their example from the Creekside game and never gave up in the battle of the region title. With 3:24 left in the game, the Westlake Lions had pushed their lead to 12 points. But our 'Hounds stunned everyone when they pulled Westlake's lead down to 5 with 1:11 remaining, and with only 25.7 seconds left in the game scored the winning touchdown and added a two-point conversion for the win. Coming off of this huge win our Greyhounds advanced to the 1st Round of State Playoffs against Hephzibah and won! Winning a postseason game hadn't been accomplished in Jones County since desegregation. Entering the 2nd Round of State Playoffs with a five game winning streak, our 'Hounds were sadly defeated by Troup County. Although the season ended without a trip to the Georgia Dome, our 'Hounds gained much respect as they finished off their season. The win against Creekside ended Creekside's 7 year winning streak on their home turf. By overcoming Westlake, and capturing a region title the 'Hounds completed a task that hasn't been finished in 40 years. Congratulations Greyhounds on a successful season!

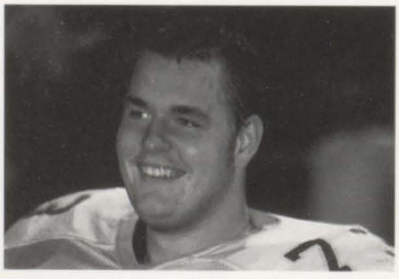

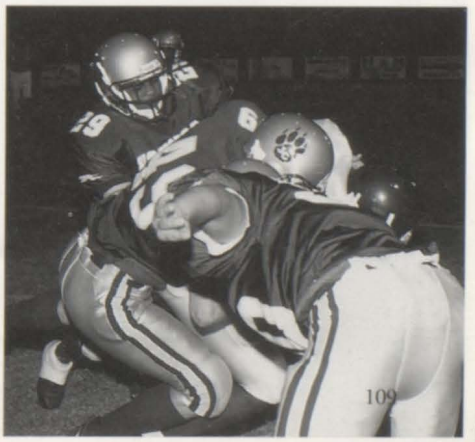

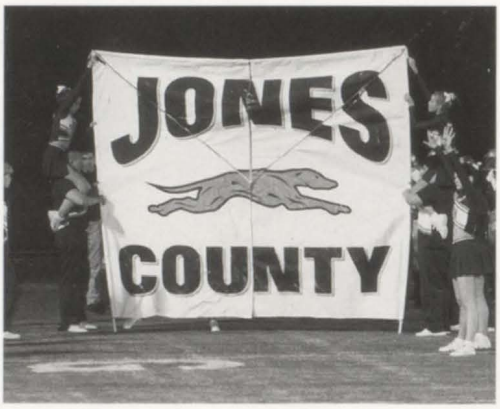

Varsity Football

The varsity football cheerleaders started the season off great. They attended camp at Auburn University over the summer. The team worked hard and was awarded superior performance ribbons. ONE WAY

TEAM

The 2001-2002 Jones County Drill Team was made up of 34 hardworking, dedicated young ladies. These ladies were led by their gifted coach, Mrs. Stacy Roberts, and their talented captains and co-captain, Jessica Allan, Natalie Blount, and Jennifer Harrell. Being a member of the Drill Team is a very time consuming activity that takes much desire, diligence and determination. All these qualities shown through when the Drill Team received superior ratings at all three competitions in which they participated, earning Best of Class at two competitions and Grand Champions at the final competition. The Drill Team also participated in parades, as well as performing at football games, basketball games and pep rallies. Their patience, commitment and cooperation made this year one of the most outstanding yet.

(Pictured to the right) The practice and hard work continued throughout the football season and paid off at competitions. This group of 36 girls, to say the least, had an outstanding year.

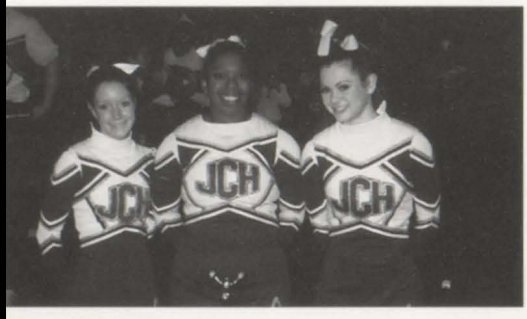

Varsity Competition

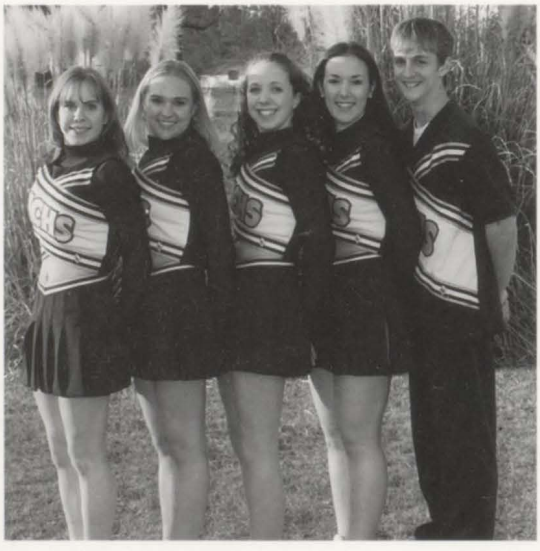

Cheerleaders

The Varsity Competition Cheerleaders began their competitive season in December. Because of the demanding practice schedule, the squad dwindled from 24 to 16 members. Despite these numerous roster changes throughout the season, the team managed to place no lower than 2nd all year. Several of the up and coming freshman squad members were brought up this season because of the vacancies and also because of their outstanding athleticism. The competition cheerleaders were: Lindsay Banks, Summer Bozeman, Ashley Carden, Christy Cecil, Misty Chambless, Aaron Cordroch, Karen Evans, Jeremy Hallelson, Christin Hubbard, Brooke Mayhue, Heather Nolan, Joel Peed, Krystal Redding, Ashley Roberson, Brittany Schott, Brooke Smith, Mandy Stevens, and Alex Thigpen.

JV Competition

The Junior Varsity Competition Cheerleaders had a very successful season. The hard work and extra effort of the squad paid off. The season began Dec. 8th at East Laurens High School in Dublin, where the squad finished 4th out of 6 squads. The next competition was Dec. 15th at the First Annual Jones County Holiday Invitational, hosted by the JCHS Varsity Cheerleaders. The JV squad finished 2nd out to 7 squads. After the Spaulding County competition was cancelled due to snow, the squad finished their season at Washington County on January 12th taking home the first place trophy. The squad had a wonderful season and a wonderful time working together this year. They are looking forward to the beginning of a new year!

With the beginning of the 2001-2002 season and with four seniors, expectations were very high. The seniors responded well with a 12-5 record at mid-season. Injuries hit the team very hard with Ashley Hamlin and Ashley Mayhue having season ending injuries. The Lady Hounds responded and played very good basketball with very few bodies left. The Lady Hounds sights were focused on making it to the State Playoffs, which Coach Greene felt very optimistic about.

T A P S

The purpose of TAPS — Teenagers Against Pregnancy (V.I.P.) is to give teenagers a better understanding of life by informing them of statistical ratings for teen pregnancies, in hopes of decreasing the number of teenage pregnancies, and to encourage teens to focus on books and their studies rather than the opposite sex.

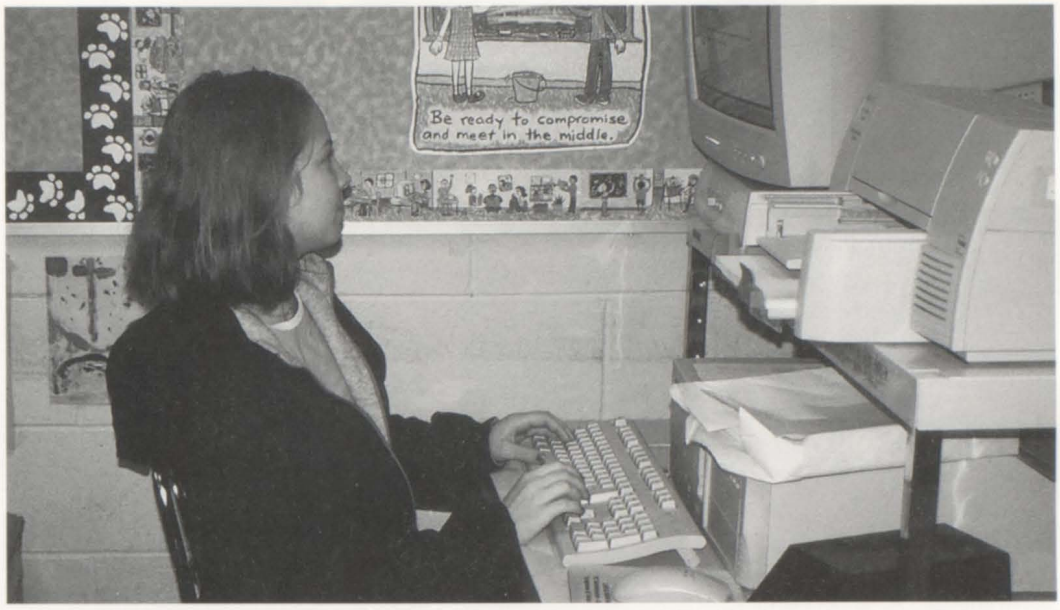

As members and HOPE officers, our goals are to show teenagers that we must enjoy being adolescents, by giving them the vision to see what's going on around them, the image to picture themselves higher, and the power to stay strong and avoid pregnancy at a young age. We hope that all teenagers will take heed our words and put education first.

Ashley Avery

Ashley,
This has been so hard to write because we don't know where to start. You were such an angel of a lady and independent but precious little girl and you have grown into a mature, self-assured and wonderful young woman.

The pride we feel at all you have accomplished academically and personally cannot be put into words. From the time you entered kindergarten until the present you have surpassed everything we could have dreamed you would do as a student and person. We praise God for bringing you through all of your physical problems last year. You handled everything that was thrown at you better than a lot of girls your age would have.

We know you have dreams for the future and the strength, courage, wisdom, and faith to see them through. Take your life and make it all you want it to be. We all believe in you and love you very much.

"Do not follow where the path may lead, Go instead where there is no path and leave a trail.

Kristen,

From the moment you were born you became the focal point of my existence. I felt my heart swell with immeasurable joy and pride. Your smile was the sunshine in my heart. Your happiness was the only treasure I sought. And I knew the great paradox of parenthood began. When your tiny hand touched mine, I knew that I had been chosen to nurture you, love you, and then give you the strength to let go. Every night I whisper a prayer of thanks for another day of having you in my life.

It wasn't that long ago that we were putting your baby teeth out for the tooth fairy and reading storybooks until you fell asleep in my arms. And now, overnight, it is a though you have grown into a beautiful young lady. Letting go is not easy. But I look at you as a beautiful young woman, strong in your conviction and determined to face life on your own terms. I see you reach out to people, showing that one person can make a difference in this world, and what a difference you have made in my life. I still feel my heart swell with pride and joy. I know my life could never have been so full and complete without you being such an important part of it. You have a very special gift that inspires people around you to be the best they can be. You are a shining example of what a daughter can be, loving and compassionate, beautiful and good, honest, determined and independent, sensitive and intelligent. You are an example of what every parent wishes and prays for in a daughter. I hope you know that I'm very proud of all that you do, and I hope that you'll never forget that I love you with all of my heart. Even though your hand might slip away from mind, I know that God will always have you in His hands and we will hold each other in our hearts forever. Within you is the promise of the future and I believe in you, may God be with you and guide you forever.

Tabitha A. Kitchens,

With all the love and joy you have given your mother and me, I would like to leave these words of wisdom.

Blessed are the poor in spirit: for theirs is the kingdom heaven.
Blessed are they that mourn: for they shall be comforted.
Blessed are the meek: for they shall inherit the earth.
Blessed are they which do hunger and thirst after righteousness: for they shall be filled.
Blessed are the merciful: for they shall obtain mercy.
Blessed are the pure in heart: for they shall see God.
Blessed are the peacemakers: for they shall be called the children of God.
Blessed are they which are persecuted for righteousness' sake:For theirs is the kingdom of heaven.
Blessed are ye, when men shall revile you, and persecute you and shall say all manner of evil against you falsely, for my sake.
Rejoice. And be exceedingly glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.

God Bless You,
With all our love

The moment I looked into your eyes only seconds after you were born I found myself, a young, impulsive, reckless young man, drawn into the vacuum of an abyss of which I have known no bounds. It is a father's love for his daughter. Now it is time for me to remove the bridles with which I have guided you. All I can do now is pray that I have given you the strength and confidence to follow your conscience, for it is the only thing that will lead you to your heart. You will not find your heart in gold, diamonds, or pearls, these are but fleeting fancies. You will have to go down this path alone. You must go to that quiet place, and listen very closely you will hear only a soft whisper, listen closely and follow diligently. It is your heart, it is who you are, when you find it I will be there, I've been there all along. Good luck and God bless you.

I love you

I remember that tiny person for the
First time in my arms - how filled
With joy and love and pride I felt.
The thoughts that flooded through me
Were the same as any prayer - so much
The same I might as well have knelt.

This is my child, my little girl, so
Beautiful to me. She held my heart
In those two tiny hands.
She'll need me for awhile, then begin
to pull away - It's pain that every
Parent understands.

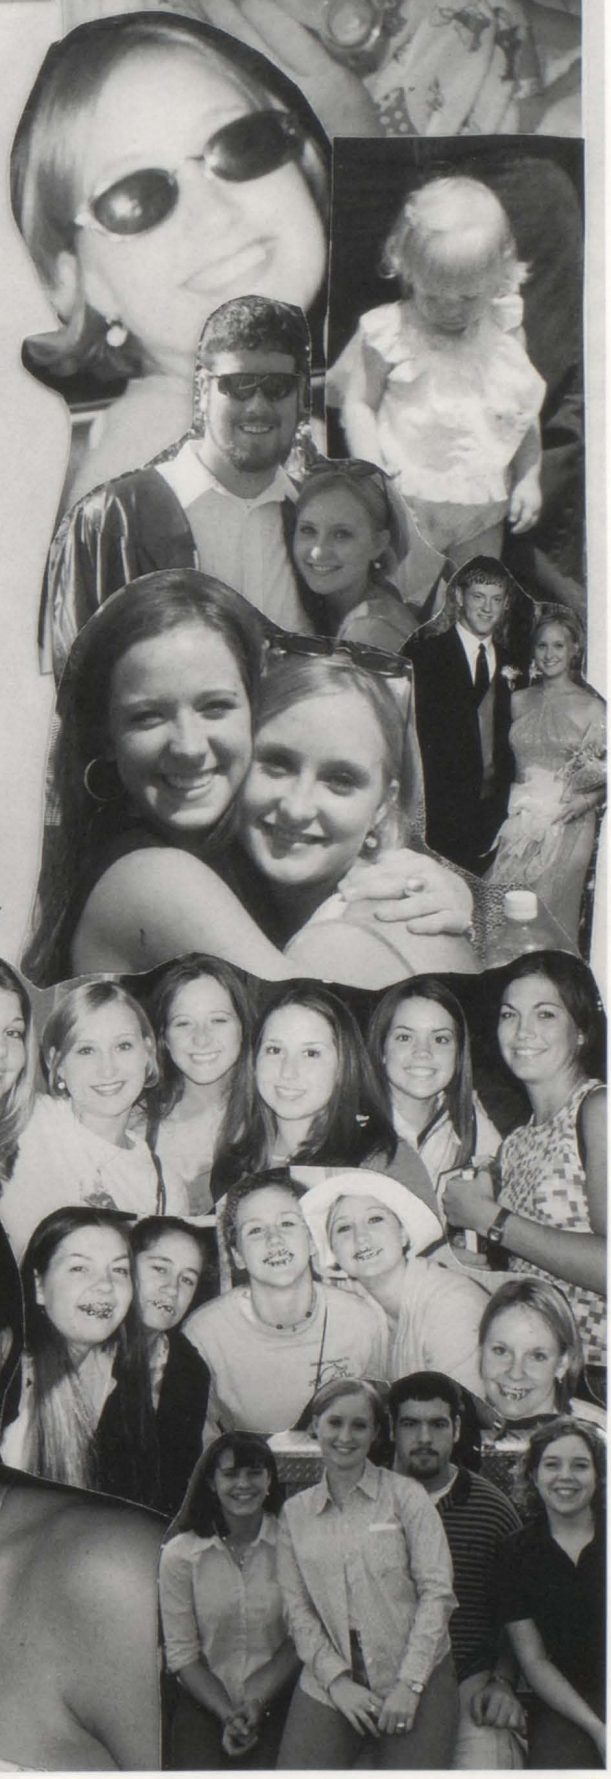

My fervent wish that joyous day,
For the strength to do it right.
For wisdom to prepare her to be free.
Free to live her life...
Free to choose her path...
Free to strive to be all she can be.

Letting go is never easy, but I know
I have no choice. She must decide
The path that she will trod.
So I'll stand and watch and worry...
But let her make her way - this child-
This lovely girl... my gift from GOD.

Dear Son,

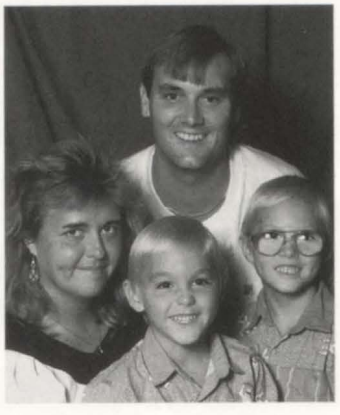

Eighteen years ago, you came into this world. As you graduate and face the reality of a new millennium, what can I give you? These simple truths: Life isn't always fair. There is cruelty in this world but always be kind, be brave and never be afraid to stand up against injustice. Many before you have died for our freedom. Never forget the sacrifices they made so you can call America your home. As you go into the world, make a difference. Music had been special part of your life from the time you were a babe. Sing the songs that spread the world "God Bless America" …. We love you. Your Family!!

Daddy's Baby Girl

17 years ago GOD blessed us,
With a newborn baby girl.
I was the proudest man,
In this whole wide world

I promised you that
I would do the best thing you needed,
And to love you like a daddy should.

We taught you to respect others;
And we taught you to respect yourself.
We taught you to do what was right;
And not to follow everybody else.

From me you got your long dark hair;
And your arrogant style.
From your mama you got your blue eyes,
And her easy smile.

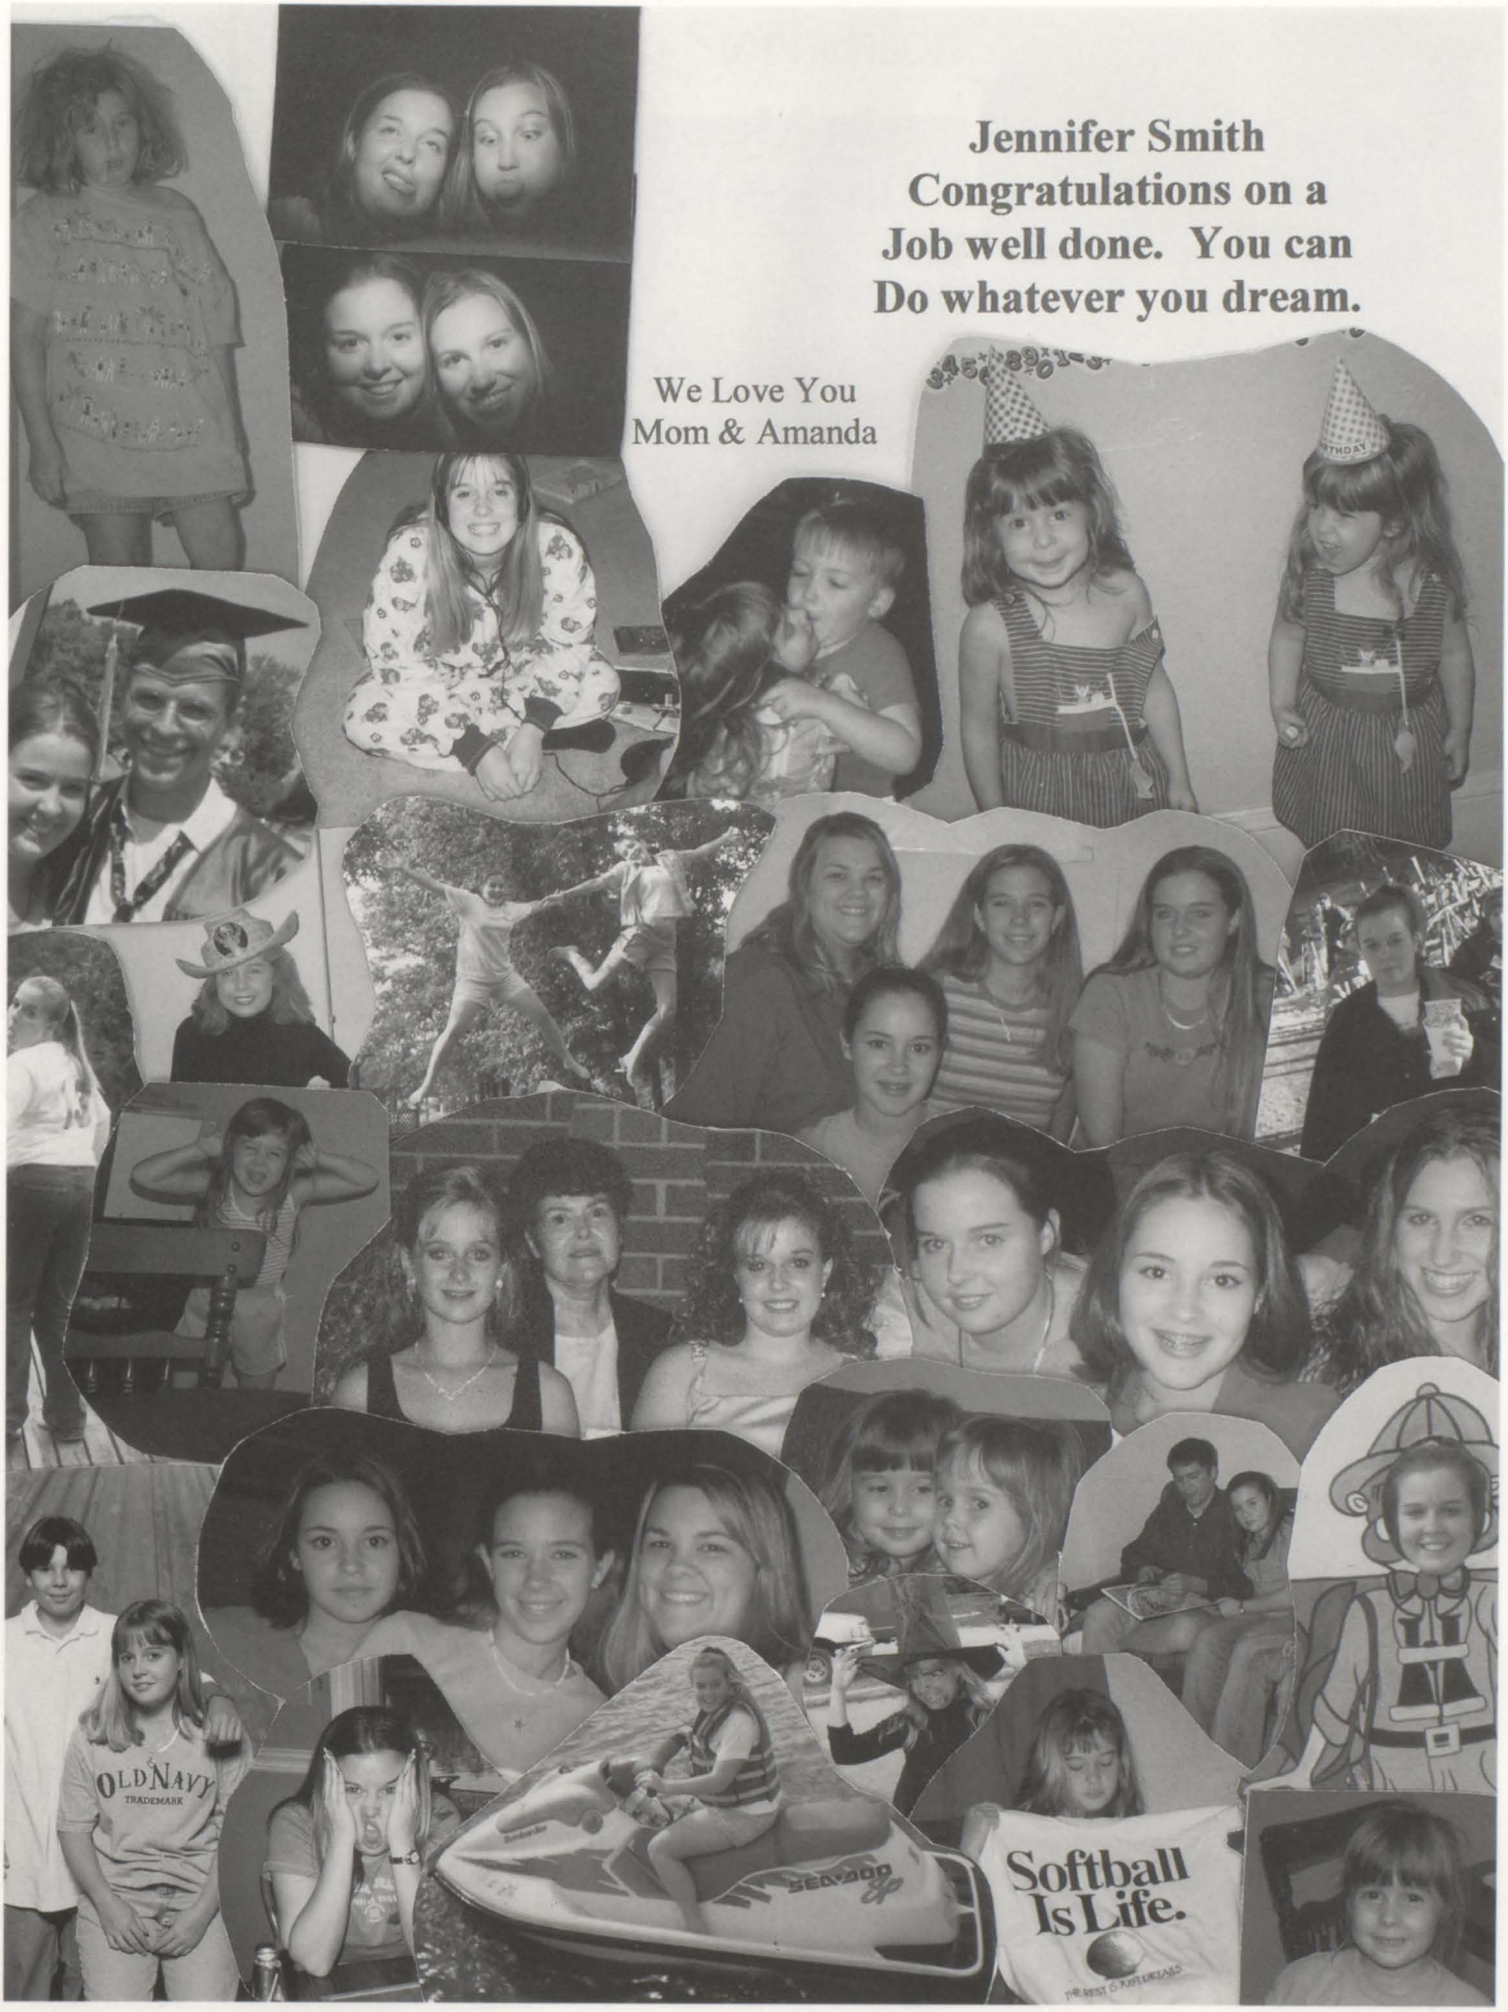

Now 17 years later you're ready
To go out into the world.
Just don't ever forget where home is,
And that you're always "**Daddy's Baby Girl**".

CONGRATULATIONS CRYSTAL!!!!!
We are PROUD of you.

As a young mother you sit and observe your children hoping that they will grow up to be respectable, productive members of society. As I sit back and reflect over the years, I can only have pride. You have always been the "strong" one. You were always so intelligent, and didn't have to have things explained to you. Knowledge just seems to come naturally for you, as well as the ability to always know just the right thing to say and when to say it. Now that I have done my job (most of it anyway), I feel sad. You will be moving on to the second chapter of your life, one that I will not be an integral part of. You will begin making big decisions on your own, not needing Mother's help anymore. I cherish every moment that I have spent with you. I hope the tradition of "family first" will always be ever present in your heart. You are indeed my greatest accomplishment, Julio and I are very proud of you.

I will never forget my 4 years at Jones County High School. It's been a challenge, many obstacles have occurred as I've traveled my path towards college and some of these obstacles will stay with me forever. I will take many great memories of JCHS with me, from participating in sports activities to just hanging out with friends on the weekends. I have learned many things over the past 4 years, but the one I will always remember is this: You can do anything you put your mind to; with a lot of hard work and determination, anything is possible.

To the journalism class, I thank you for all of your hard work. It's been fun this year teasing Mrs. Stewart and rushing to meet deadlines. Good luck next year! Mrs. Stewart, thank you for all the motivation and helpfulness you've supplied me with over the years. I've had a lot of fun being on the Yearbook Staff the last 3 years. Not only was it a lot of fun, but I leaned something new every step of the way.

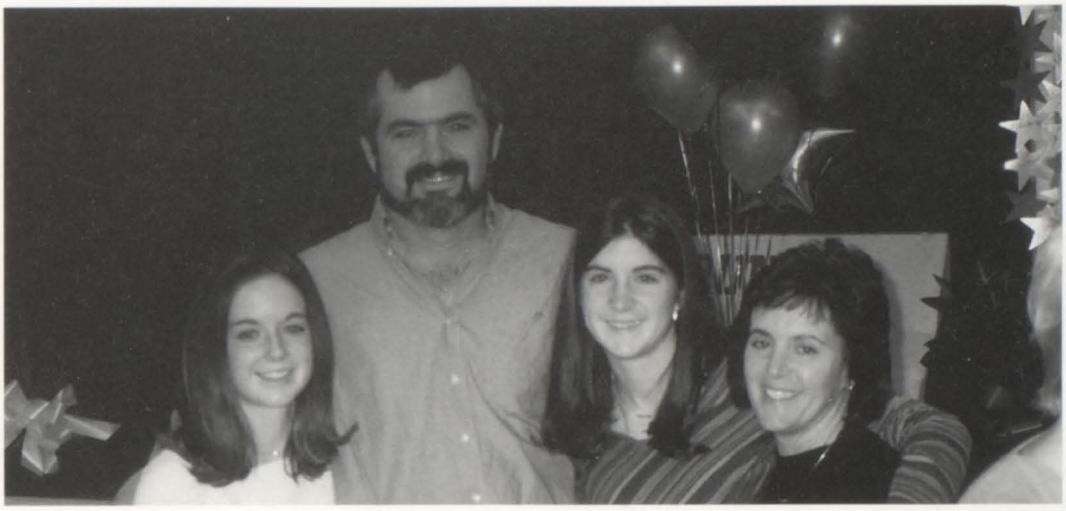

My time at JCHS has been a blast. I will cherish every second of my high school career. My family and friends have made these four years a time to remember. To my family, I want to say I LOVE YOU! You've been there for me through it all. To my friends we've made some memories that I can't ever replace. The crazy things we did just leave me wondering what we were thinking. The good times we had are unforgettable, and the struggles you all pushed me through will never be forgotten. Never doubt that these will be the best years of your life.

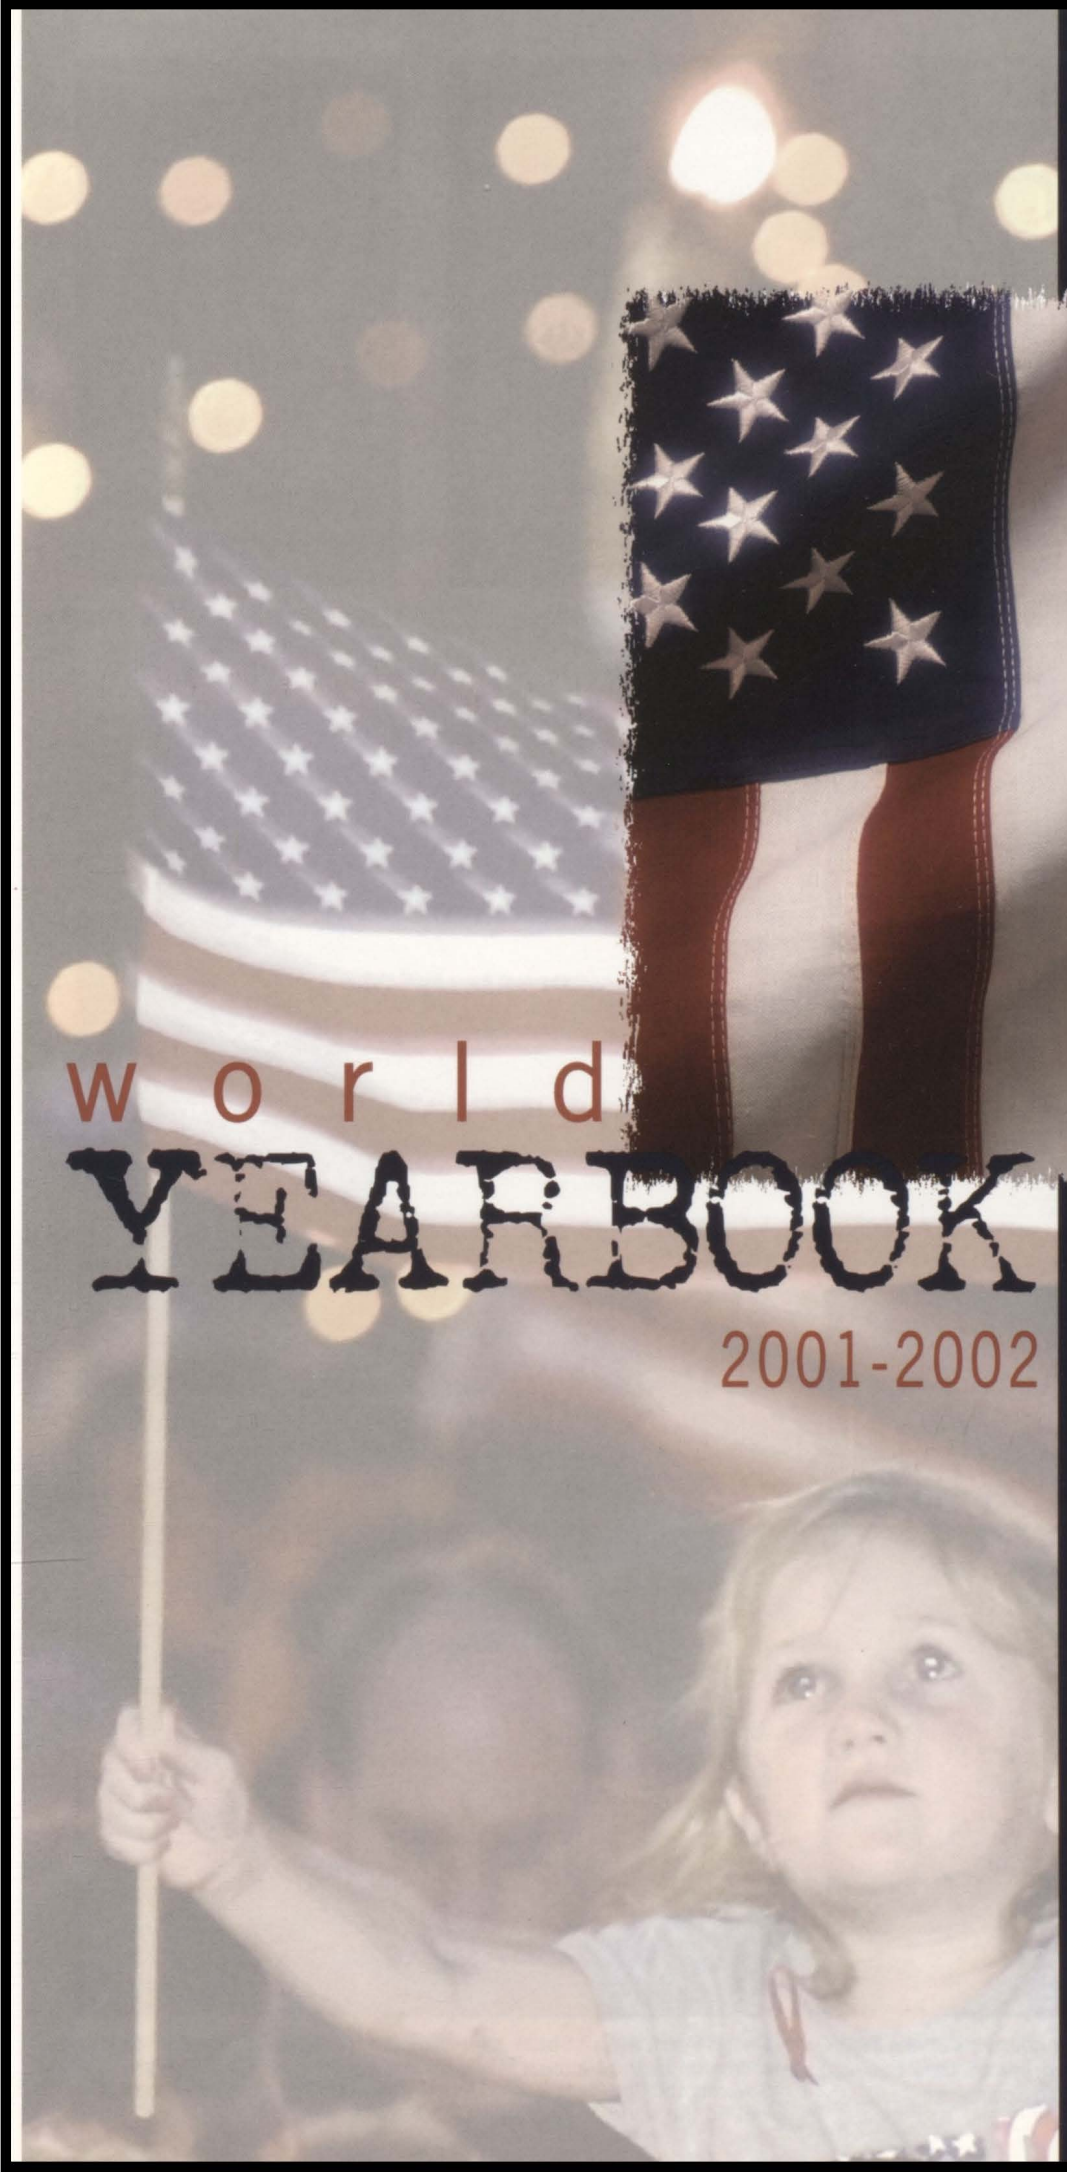

I want to thank Mrs. Stewart for putting up with me and all of the rest of the yearbook staff. We bombarded her with questions and she never failed to have the answers. I want to thank Kelly for sharing the stress and responsibility with me. Thanks to the whole staff who worked hard to meet each deadline. Without the seniors, where would we be? Thanks for all of the memories these past two years. To the rest of the yearbook staff, keep up the good work and don't let Tabby hog all of the pages next year. It has been a pleasure to help produce this giant memory book. I hope that you will enjoy all of the memories that the Growl 2002 staff has prepared for you.

enduring FREEDOM

Tuesday, September 11, 2001, will be remembered as a tragic day that changed the world. That morning, a plot, masterminded by terrorist Osama bin Laden and the al-Qaeda network, was put into action. Two hijacked commercial airliners were flown into New York City's World Trade Center Towers, ultimately causing their collapse. Immediately following the incident, another hijacked airliner crashed into one side of the Pentagon in Washington, D.C, and a fourth plane crashed in Pennsylvania. Thousands of lives were lost, citizens were terrified and the world was in shock.

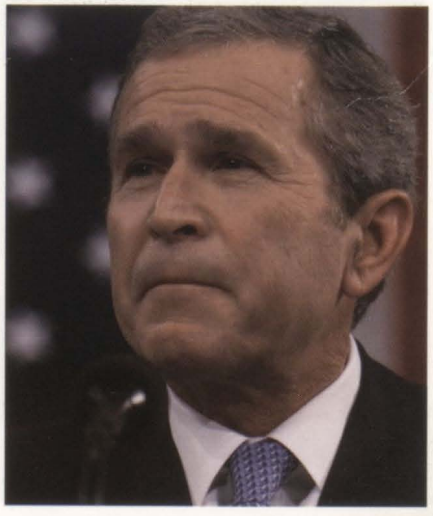

Following that mournful day the United States experienced anthrax scares, continued security threats and the reality of war. Despite the horror, fear and heartache, U.S. citizens united and their patriotic spirit soared. President Bush promised: "We will not tire, we will not falter, we will not fail." Through that statement and the remarkable sense of national pride exuded by U.S. citizens, it became evident that no threat, great or small, could deter the United States resolve for enduring freedom.
